Honorable Harold E. Stassen
American Embassy
London, England

Dear Harold:

Thank you for your good letter of September 7, concerning Agency support of the disarmament talks.

It always is a pleasure to learn first-hand that our efforts have been of value and I greatly appreciate your courtesy in writing me concerning our contribution to your most important assignment. I shall make your comments known to those in our organization who participated.

We will be most pleased to assist in connection with future negotiations, as you suggest.

Sincerely,

Signed

Allen W. Dulles
Director
